

## **TAX TIPS FROM THE TREASURER**

Where do taxes go? The answers are in the article on this website entitled "Where Do Your Tax Dollars Go?"

Taxes are sent out twice yearly, Summer taxes are mailed July 1; Winter taxes are mailed December 1. Deadline to pay Summer taxes without incurring a penalty is September 15. Deadline for paying Winter taxes without incurring a penalty is February 14. As of March 1, all taxes are sent to the Manistee County Treasurer's Office. Payment must be made at that office after March 1.

No partial payments will be accepted for payment of taxes. If one or more persons are listed on a parcel as owners/taxpayers, please send only ONE check for the total payment due. If each co-owner contributes, the co-owners need to determine who will send the one check, then reimburse the other owners for their respective balances due. If a check is received for a portion of the amount, the check will be returned for the total amount due.

If you wish to receive a receipt, please send a stamped, self-addressed envelope with your payment. The township does not automatically mail receipts; they are mailed only if a stamped, self-addressed envelope is submitted.

An after-hours drop box is available. It is located on the front of the township office building, to the left of the double doors. The information goes directly into the treasurer's office.

For any questions regarding taxes, please contact the treasurer's office at:
