Discussions of Interest 3 listed properties below

4684 Prospect St. Onekama, MI – Ralph Drum, our recommendations to apply for Variance and Permit for Land use pay the fees accordingly. Our fence zoning ordinance does not define a fence as an accessory structure does not apply to the finding from the Manistee County Code Enforcing Officer.

8571 4th Ave. Ken Burda, our recommendations to approve application and site plan as submitted.

4985 Dock St. Onekama, Rob Rite Lot Owner, 2 Story house with tuck under garage.

If a different lot used away from the Lake Front, it is not the appropriate site for building this type of structure on this Lot. His proposed text amendment for a house that does not meet the required zoning requirements will not be approved by the planning commission.
